## Saturday, March 21

TIME / LOCATION	
8:00 AM	<b>CONTINENTAL BREAKFAST</b> Great Hall Foyer CF
9:00 AM – 9:20 AM	<b>PLENARY</b> <b>US Launch of the British Psychological Society's Division of Clinical Psychology's Report 'Understanding Psychosis and Schizophrenia'</b>
	Anne Cooke   Peter Kinderman <i>The British Psychological Society recently published this ground-breaking report which is aimed not only at clinicians but also journalists, policy makers, people who experience psychosis and their friends and relatives. It outlines a psychological approach which challenges received wisdom about mental illness. Free to download, the report's publication has led to widespread media discussion and debate, including in the New York Times. Editor Anne Cooke and co-author Peter Kinderman will talk about what motivated them to produce the report and what its main messages are. There will be an opportunity for questions and discussion with the audience.</i>
9:00 AM – 12:45 PM	<b>PLENARY PANEL AND DIALOGUE</b> <b>Subjective Experience and Recovery</b>
	<b>MODERATOR</b> Jan Olav Johannessen, MD Larry Davidson, PhD   Keris Myrick, MBA, MS   Silje Marie Strandberg   Lone Viste Fagerland <i>We move closer to "Neighborhood" with a panel addressing the phenomenology and lived experience of people experiencing a psychotic disorder—with an emphasis on the significant psychosocial factors facilitating recovery. How do we define recovery? What is recovery for an individual?</i>
9:45 AM – 10:20 AM	<b>PLENARY #8</b> <b>SPEAKER</b> Larry Davidson, PhD
10:20 AM – 10:55 AM	<b>PLENARY #9</b> <b>SPEAKER</b> Keris Myrick, MBA, MS
